

30' Back Cove Express Hard Top

“Bella Blu”

The San Juan Islands are even more beautiful when enjoyed from the comfort of a brand new Back Cove. The sporty, fuel efficient Back Cove 30 is fun and easy to maneuver and will have heads turning in every harbor. With her upgraded 350hp Cummins diesel, she can cruise at 20 knots while bow and stern thrusters make her exceptionally maneuverable around the docks.

The Back Cove 30 offers seating for a half dozen guests with easy visibility for everyone. When at anchor, the mates seat converts conveniently to another L-settee to extend the social area. The cockpit, with fixed seating, provides a place to lounge and enjoy the sights when the weather is nice.

Below deck, aft and to starboard is the galley. This functional space boasts a solid surface countertop, stainless steel sink, diesel stove, microwave oven, and AC/DC fridge. Opposite to port, a full molded head compartment has a fresh water electric flush MSD, a solid surface countertop and pull out shower faucet. The forward vee-berth converts easily from the daytime seating arrangement to sleeping for two.

Come experience the Pacific Northwest on the ideal couple's cruising vessel for an unforgettable vacation.

2011
