

33' Back Cove Express Hard Top

“Reflection”

The Back Cove 33 is one of our most popular charter yachts and “Reflection” has been well outfitted by her owners to provide you with a pleasurable cruising experience. Thanks to her vee-shaped hull and dependable diesel engine, she will get on plane at 12 knots and will cruise efficiently and quietly at 20 knots while sipping fuel at less than 12 gallons per hour.

On her helm deck, the sense of spaciousness is impressive. Across from the galley a raised dinette with elegant inlaid table will seat four for dinner and can also be converted to form an additional sleeping berth at night. Docking is a breeze thanks to her bow and stern thrusters and her 360-degree visibility allowed by her sliding glass bulkhead enclosure.

Below deck the Back Cove 33 offers plenty of head and elbow room. With 6’5” of interior height, she is one of the most spacious boats in her class. Forward is a large v-berth which measures almost seven feet in length and in width. The head is aft of the berth to starboard with a spacious separate stall shower. To port is a comfortable lounge with handsome inlaid table that can convert for additional sleeping.

Extra amenities include a dinghy with outboard, 3rd refrigerator, inverter, crab pot, diesel furnace and more.

Charter Rates

⚓ **PEAK SEASON** ⚓

June 27 - September 11
\$3,440 per charter week

⚓ **SHOULDER SEASON** ⚓
