

36' Sabre Aft Cabin

“Tourmaline”

The 36' Sabre aft cabin “Tourmaline” is the ideal springboard for your Northwest exploration! This big 36 footer is equipped with all the necessary options including new battery banks and a brand new dinghy to make your trip an experience you will want to repeat. Tourmaline lets you go back in time when boat building was done by master craftsmen. She is the perfect combination of New England classic style vessel with the convenience of modern efficient layout and styling. The twin Cat engines give her the cruising speed of 16 knots allowing for fast passage around the islands if you choose to do so.

Tourmaline’s dual station, wide comfortable decks, spacious cabins and airy salon, invite you to discover and sample all the pleasures that the San Juan Islands have to offer.

The 36' Sabre is the perfect boat for a couple with children or 2 couples as the cabins and heads are separated from each other and give everyone privacy and a proper living space. This configuration also provides a second (single) berth in the aft cabin.

The common area, with the salon, galley and steering station is the center of it all.

Whether exploring the surrounding islands or visiting the Canadian waters to our North, your vacation is sure to be filled with pleasant and lasting memories. Your adventure awaits and Tourmaline is ready to take you there so come on aboard!
